Doug Sutter, General Manager/COO

Dear Forest Highlands Golf Club Membership,

I hope this message finds you and yours well and as excited as we are for the upcoming 2025 summer season! With the 2025 Golf Season officially opening on May 2nd, our entire team is energized and eager to start welcoming back the majority of our membership to Paradise in the Pines as we get closer to the Memorial Day Weekend

One of the greatest joys this time of year is seeing so many of our beloved seasonal team members return for another incredible season with us, along with welcoming some wonderful new faces to our Forest Highlands family. To kick things off, we held a highly productive All-Staff Pre-Summer Orientation on April 30th, where our entire team came together and galvanized for the exciting months ahead. The energy and camaraderie shared during this time made us well prepared to deliver the elevated experiences you as members have come to expect.

As we look ahead, I want to take a moment to address a topic we've communicated previously, our current golf course conditions. Due to the exceptionally dry winter, which our Director of Agronomy, Bill Abbey, has noted as the driest he's seen in his 36 years here, we've faced some early-season challenges with turf health. I want to assure you that Bill and his team are working tirelessly to regenerate the turf and bring both courses back to the pristine conditions we all celebrated last summer. Your patience and support during this period mean a great deal, and I am confident you'll see the positive results of their dedication in the coming weeks.

In addition to our work on the courses, I want to reaffirm the importance of Firewise compliance as we enter the drier months. Our Firewise Committee, in partnership with the Highlands Fire District, has been proactive in ensuring our community remains prepared. However, fire prevention is a shared responsibility. I kindly encourage all members to schedule Firewise property evaluations and take the necessary steps as soon as possible to maintain defensible space around your homes. Our Security Department and Concierge team are available to assist, and I thank you in advance for your efforts to help protect our beautiful Ponderosa Pine Forest community.

On a broader note, I'm proud to share that our Strategic Planning efforts with Club Benchmarking are well underway. Their team is now focused on defining our current governance, and we are moving forward with the COMPASS Comprehensive Asset Management Program to ensure long-term stewardship of our assets. As part of this process, in-person Focus Groups will be held at Forest Highlands on June 23rd and 24th, and more details on how you can participate will be provided by the Strategic Planning Committee later this month. This is a pivotal time for our community, and I'm excited for the thoughtful, data-driven insights that will guide our future decision-making forward.

As we embark on this new season together, I encourage you to stay engaged, enjoy all that Forest Highlands has to offer, and continue sharing in the traditions and pride that make this community truly exceptional. Whether it's through club events, amenities, or conversations with fellow members, your involvement is what makes Forest Highlands so special. I also invite you to take a moment this season to connect with someone new, perhaps a fellow member outside of your current circle. One of the greatest strengths of our community is the opportunity to build lasting relationships, and every new connection adds to the richness of life here in Paradise in the Pines.

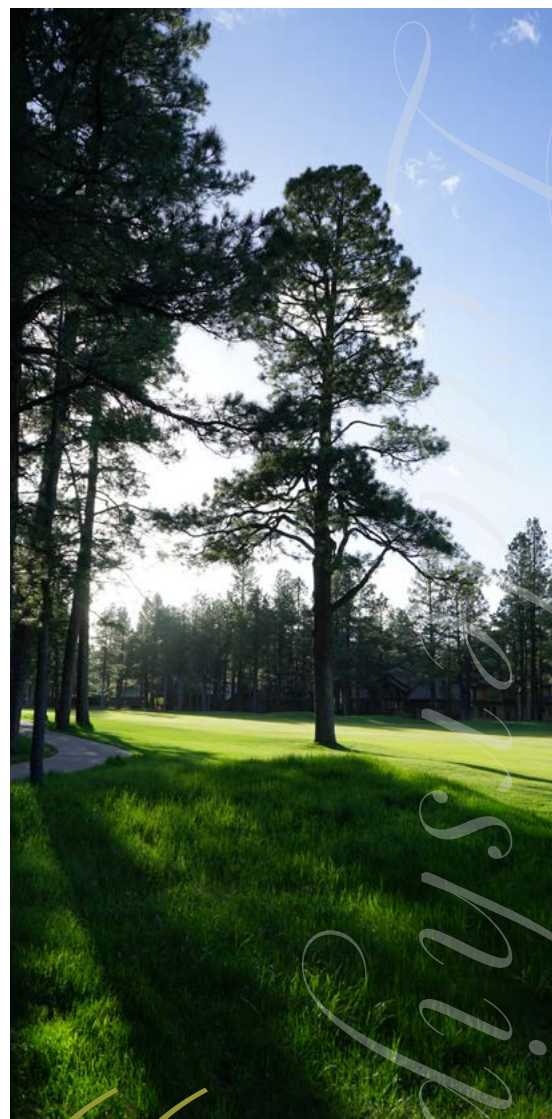

Thank you for your continued trust and support, for me and for our dedicated team here at Forest Highlands Golf Club. We are all looking forward to sharing a remarkable 2025 summer season with you and yours!

Sincerely,

Doug Sutter

WHAT OUR MEMBERS ARE SAYING...

Club Overall

It's a very kid friendly environment with a great recreational camp for all ages, there is a fun rec room full of fun activities such as ping pong, pool, or arcade games. There are two swimming pools, and a snack bar at the main pool. Golf, tennis and pickleball. There are two clubhouses, each with great dining options with fun activities planned for each weekend of the season, along with the summer holiday weekends. Come join the fun!

Meadow Dining

Prime Rib Thursday and Chicken Piccata Friday were absolutely fantastic! Huge kudos to the new staff members—they all did a terrific job. It was such a joy to be back, surrounded by both familiar faces and new friends at the bar. Forest Highlands truly is a special place!

A NOTE FROM THE FOREST HIGHLANDS LIBRARY

As you prepare for your return to Forest Highlands this summer, don't forget to bring along any hardcover books you enjoyed over the winter! Our member-run library, located just outside the Administrative Office in the Canyon Clubhouse, is ready to welcome new reads to its shelves.

Please note: duplicate books and most paperbacks are taken to Bookman's, and the store credit is donated to the Flagstaff Literacy Center to help purchase books for student readers. This service is proudly provided by the Forest Highlands Foundation.

HIGHLIGHTS OF NEW ZEALAND

EXCLUSIVE MEMBER TRAVEL EXPERIENCE

Forest Highlands Golf Club is planning an exclusive member travel experience to New Zealand in **March 2026**. Tee off on the country's most renowned courses including the likes of Kauri Cliffs, Cape Kidnappers and many more. FOREST HIGHLANDS FOUNDATION HOLDS SECOND ANNUAL RETREAT

On a beautiful Saturday in April the Forest Highlands Foundation Board held its second annual strategic retreat. Since becoming our own freestanding 501c3 in 2024 the need to plan for both our annual activities and sustainable growth requires a strategic road map. The board is a group of civic minded Forest Highlands community members that volunteer both their time and talents to raise funds to support many of our non-profit partners in the Flagstaff and Northern Arizona community.

The board is a committee-based organization, and I thought I'd share a few of the things they are working on and what you can expect to see in 2025.

The Development Committee, led by Michelle Arena, is coming off its most productive year to date with the success of the 25th Anniversary Gala in 2024. So, how do you top that? Look for a host of new events and activities designed to make it easy—and fun—for everyone to get involved.

Let's not forget the annual Denise Martinez Golf Tournament, now rebranded as Tee It Up for Denise, led by the capable hands of Vickie Selzer and Patty Jacobson. This beloved Forest Highlands tradition continues to support not only the Foundation and greater Flagstaff community but also gives back to many of our local PGA professionals. The event will take place on Monday, August 11, on the Canyon Course. To sign up a team, please register on ForeTees. If you're interested in sponsoring a portion of the event, email Vickie Selzer at vselzerfhf@gmail.com.

The Grants Committee, led by Wendy Godfrey, continues to serve the community in two essential ways. First, we maintain our long-standing affiliation with the Arizona Community Foundation and participate in their annual "Horse Trading" grant process. This collaborative effort among local individual and family foundations allows us to fund a wide range of nonprofits in one impactful gathering. Additionally, with growing uncertainty around continued federal funding, we've already heard from many local nonprofits seeking direct support. We anticipate a much more robust grant request process this year, and we're prepared to respond.

The Finance committee chaired by Teri Schwab is working hard behind the scenes to perfect the processes and procedures that a new entity requires. Many of the duties once handled by ACF now need to be part of our administrative duties.

In closing we want to thank every Forest Highlands member for their support and know that helping the less fortunate in Flagstaff is our Mission but also being one of the few communities in the country that have a foundation adds value to each and every home in our community.

Gratefully,

Howard Nute,

Forest Highlands Foundation Chair

MEMORIAL PATIO SEATING AUCTION BEGINS

Sunday, May 11

Bid on a table on the patio and enjoy your own service staff and a private bar! Bidding opens **Sunday, May 11th at 9am through Wednesday, May 21st at 5pm. Winners notified on Thursday, May 22nd.**

Our patio seating option gives members an opportunity to reserve a table on the Canyon Covered Patio during the holiday BBQs. For each BBQ, we will offer a silent auction where members can place a monetary bid for a Canyon patio table.

There will be a lock-box at the concierge desk at the Canyon to collect bids. Interested members should submit their name, member number, number of seats (no more than 10 per entry), and their auction dollar amount. This will be the total amount you pay for the table so the value of the table is totally determined by you.

The Forest Highland's Food and Beverage Director will select the highest bids until all patio tables are sold out. Winners will be notified three days prior to the BBQ and all money raised will be donated to the Forest Highlands Foundation.

This system gives everyone a fair chance to win a spot on the patio and raise additional funds for the Forest Highlands Foundation. ****BBQ wristbands are not included and will need to be purchased to enjoy the food.***

MOTHER'S DAY BRUNCH

Sunday, May 11 • 10am - 3pm

Canyon Lounge & Patio

Celebrate Mom with a joyful brunch designed for the whole family. Our culinary team will prepare a delicious buffet featuring a variety of dishes to please every palate.

Please register online via the members.fhgc.com website or call 928.525.1100.

DRESS GUIDELINES

The following is **NEVER** acceptable in any area of the clubhouses, any time of day or night:

- Exposed midriff, halter tops, strapless/tube tops, cropped tops, cut-offs shorts, gym shorts, bib overalls, coveralls, sweatpants with rips, swimsuits, muscle/cut-offs shirts, sports bras, t-shirts with rips, or that contain profanity.

CANYON DINING DRESS GUIDELINES:

- The Main Dining Room guidelines:-For evening dining, the dress code is defined as “country club casual.”
- Jeans and Denim pants are acceptable for men and women but must adhere to our denim guidelines.
- Collared shirts are mandatory for all men; golf, short sleeve or long sleeve collared shirts are all permissible.
- Hats, visors, and shorts of any kind are not permissible.

THE CANYON PATIO, LOUNGE OR COOLDOWN GUIDELINES

- Hats may be worn by men or women. All hats and visors should be worn with the bill facing forward.
- Athleisure, shorts, t-shirts that meet our t-shirt requirements are acceptable
-

MEADOW DINING ROOM DRESS GUIDELINES:

- Hats may be worn by men and women in all areas of the Meadow Clubhouse during the day or evening, but all hats and visors need to be worn with the bill facing forward.
- T-Shirts that meet our t-shirt requirements are permitted
- Twill shorts and jeans that meet our jean requirement are permitted at the Meadow Clubhouse.
- Athleisure is permitted as defined by our athleisure guidelines.

Members are expected to inform their spouses, dependents and guests of the dress requirements prior to entering any part of the Club. Management is directed by the Board of Directors to refuse service to persons who do not conform to the Dress Code.

DINING POLICIES

The Dining calendar on the website will always have the up-to-date dining hours and event listings. Please sign up for dining alerts by joining the Dining Department on the Clubster for the latest menus and event updates!

CANCELLATION POLICY

Reservations must be canceled 24 hours in advance to avoid a per person "Cancellation Fee" of \$10. Last minute cancellations prevent other members the opportunity to make a reservation when the dining room is already fully booked. Any large party reduction not done within 24 hours will also incur a per person "cancellation fee". Parties of 6 or more often require 2 tables so a last minute reduction in party size also prevents another member from using the facilities. (Large parties are defined as 5 or more)

SAVE THE DATES

Sushi Night Begins at the Canyon! Monday, June 2

Experience the artistry of authentic sushi as Chef Fred and our culinary team will have a Sushi Bar set up on our covered patio area at the Canyon every Monday evening! Enjoy freshly prepared sashimi, nigiri, and specialty rolls, crafted with care and ready to serve. Pair your meal with the perfect sake to elevate your evening. Regular dinner menu also available.

The Taste of Forest Highlands Saturday, June 7 • 5:30pm Canyon Driving Range

Father's Day Dinner & Music on the Lawn Sunday, June 15 • 5 - 8:30pm Canyon Clubhouse

Chef Fred's Cooking Class Sunday, June 22 • 5pm Meadow Patio

Dinner Under the Stars Saturday, June 28 • 6pm Canyon Clubhouse

Holiday Cooldown! Thursday, July 3 • 5pm Canyon Driving Range (No registration necessary.)

Tacos on the Lawn Saturday, July 5 • 5pm Canyon Driving Range

New England Clambake Saturday, July 19 • 5pm Canyon Driving Range

HOLIDAY WEEKEND CANCELLATION POLICY

Reservations must be canceled 48 hours in advance to help prevent last minute cancellations and dual clubhouse reservations. Any cancellation less than 48 hours will be charged a \$20 person cancellation fee. This will give F&B a better opportunity to reach full dining capacity during the holiday weekend.

FOREST HIGHLANDS DINING OPTIONAL GRATUITY POLICY

There are no service charge fees on food and beverage purchases in any of our food outlets. The service staff is paid a sufficient hourly rate that does not require being supplemented by additional gratuities. The optional gratuity line will remain on the chits for those members who feel that exceptional service warrants a specific server to receive a tip that is over and above their hourly wage, however it is entirely optional and not expected.

CAP PATROL

Cap Patrol is a system that monitors player's handicaps and scores to present the Handicap Committee data needed to make an adjustment to a player's GHIN index. The system uses an algorithm that takes consideration factors including:

- A players' potential or ability in recent play and tournament rounds
- Variance in home vs. away performance
- Disparity in casual vs. competitive scores reported
- Placement in club sponsored tournaments/events

This system will allow for a more equal playing field when it comes to tournaments. Cap Patrol was used in the Highlander Championship and Ponderosa Open in 2024. Cap Patrol will continue to be utilized by the golf staff and the handicap committee for all major events including the Couples Invitational, Weiskopf Member, Member, Swingfest, Highlander Championship, and Ponderosa Open.

Members that are recommended for an adjustment by Cap Patrol will be reviewed by the handicap committee prior to each event. Any member that is up for an adjustment will be notified via email prior to the event.

Members can download the Cap Patrol app by searching "Cap Patrol" in the App store on your device. You will need your GHIN number and email address to log in. The features of the app include:

- An easier way to keep track of your current play and how you have played in the past.
- Built in games for you and fellow members. See how others have been playing recently and set up the most competitive teams, odds and more. Use the "who's hot" feature to see who has been playing the best
- Track and compare your play at home, away, in tournaments and more

TOURNAMENT CHANGES FOR 2025

PARENT-CHILD TOURNAMENTS

- The Parent-Child and Parent-Child Putting tournaments have been moved from late July to June 20 and 21, respectively.
- This change allows families to participate in the tournaments during the middle of summer, rather than right before the start of the school year.

JUNIOR CLUB CHAMPIONSHIP

- The Junior Club Championship will remain at the end of July, scheduled for Sunday, July 27, giving juniors the opportunity to refine their skills throughout the summer before the competition.

NEW PRO-JUNIOR TOURNAMENT

- A brand-new Pro-Junior Tournament will take place on Wednesday, June 18. Stay tuned for format.

TOM WEISKOPF MEMBER-MEMBER

This year, the Tom Weiskopf Member-Member tournament will feature a split field format:

Men's and Seniors Flights:

- **Competition dates:** Thursday, June 26, and Friday, June 27.
- **Pre-tournament party and betting:** Wednesday, June 25. All invited.

Ladies' Flights:

- **Competition dates:** Saturday, June 28, and Sunday, June 29.
- **All Member Party:** Friday, June 27, open to all participants (Men, Seniors, and Ladies flights).

Men's Shootout:

- Scheduled for Friday, June 27, preceding the Tom Weiskopf Member-Member party.

Benefits of the Split Field Format:

- Increased participation.
- Reduced costs for the Ladies event.
- Improved tee sheet availability on weekend days.

Alternating Format for Future Events:

- In 2026, the Ladies flights will compete on Wednesday/Thursday, while the Men's and Seniors flights will compete on Saturday/Sunday.

2024 CHAMPION SHOOTOUT (MAKE-UP)

- The 2024 Tom Weiskopf Member-Member Champion Shootout will occur on Friday, June 20, at Canyon hole #7.
- Flight winners and wild cards from 2024 will compete to close the chapter on last year's champions, leading into the 2025 event.

CLUB CHAMPIONSHIPS TRANSITION TO MATCH PLAY

The Men's, Ladies', and Senior Club Championships will shift from stroke play to match play.

Men's and Ladies Club Championships:

- **Qualifying rounds:** Friday, July 18
- **Match play:**
 - **Quarterfinals and semifinals:** Saturday, July 19
 - **Championship matches:** Sunday, July 20

Senior Club Championship:

- **Qualifying round:** Friday, August 8.
- **Match play:**
 - **Quarterfinals and semifinals:** Saturday, August 9
 - **Championship matches:** Sunday, August 10

Benefits of Match Play Format:

- Increased tee sheet availability on weekends.
- Members can now compete in both the Men's and Senior Club Championships.
- Increased spectator involvement.
- Shorter time commitment for players.
- Focus on overall Club Champion.

INTRODUCING THE HIGHLANDS BIKE STOP!

We're excited to announce the opening of our new Highlands Bike Stop, located just north of the Meadow Parking Lot. Members are encouraged to park their bicycles here when visiting the Clubhouse. The Bike Stop offers a convenient and safe spot to store your bike while you enjoy all we have to offer.

Thank you for helping us keep our grounds organized and beautiful — we can't wait to see you riding in!

Dog Park Temporary Closure Notice

Please note that the Dog Park closure has been extended through **May 9** to allow for the installation of new sod, in addition to essential grass repairs and seasonal preparation.

We appreciate your understanding and patience as we work to create the best possible space for you and your furry friends to enjoy this spring and summer!

Announcing our New Camp Supervisor, Brenna Watson!

Brenna Watson is starting this upcoming 2025 Season as our new Camp Supervisor. Brenna earned her Bachelor's degree in Psychological Sciences with an emphasis in Child and Adolescent Development in 2024. Brenna has been part of our Recreation Team since 2022, and is eager to make this an amazing summer filled with fun, adventure, and lasting memories for the campers!

COMPLIANCE INSPECTIONS 2025 & RECOMMENDED AREAS OF FOCUS FOR ALL MEMBERS

As your Community Liaison, the Compliance team would like to remind all members of the importance of maintaining their property in accordance with community guidelines. Our goal is to ensure the safety, cleanliness, and visual harmony of the neighborhood. To avoid receiving compliance notice, we encourage everyone to stay proactive with property upkeep.

Top Items We Look for During Compliance Drives:

1. **Overgrown vegetation** – Grass, weeds, and brush that are not regularly maintained.
2. Dead plant material – Including dead trees, shrubs, or fallen branches.
3. Improper storage – Items such as tools, equipment, building materials, or furniture stored outside and visible from the street.
4. Unapproved structures – dog runs, fences, or other additions that have not gone through proper architectural approval.
5. Visible clutter – Excessive personal items left in yards, on porches, or around the home.
6. Driveway and pathway conditions – Cracked, broken, or poorly maintained surfaces can result in notices.
7. **Debris accumulation** – Piles of yard waste, construction debris, or other materials.
8. Unauthorized vehicles – no yard parking, inoperable vehicles or covered vehicles, trailers parked in driveways or on street.

How to Avoid a Violation:

- Walk your property regularly and look at it from the street view, and golf course view, what do others see?
- Schedule routine maintenance for vegetation and landscaping.
- Submit any improvement plans to the DRC before making changes.
- Keep outdoor areas tidy, especially after storms or projects.
- If unsure whether something is compliant, reach out to the Community Liaison—I'm here to help!

Regular inspections will take place weekly. Thank you for your cooperation in keeping our community beautiful and well-maintained.

Forest Highlands is committed to fair and consistent enforcement of these rules. If you have questions or need to clarify any policies, please contact Katrina, the Community Liaison at 928-525-5216 or community@fhgc.com

Including pictures with your email can be helpful, as they provide a clearer understanding of the situation and allow us to assist you more efficiently.

Thank you for your commitment to keeping our community safe, welcoming, and in line with our HOA values!

NEW SUBMITTALS DUE DATE

DESIGN REVIEW

For any changes to your lot or the exterior of your home please refer to the Development Standards. DRC Meeting dates are done on a monthly basis.

DUE DATE

Submittals are due by the 3rd of each month to be reviewed in that month. A project that is submitted on March 4th will be reviewed in April.

PLAN REQUIREMENTS (ONLINE ONLY!)

Plan submittals are required to have a digital copy (PDF). Digital copies can be sent to designreview@fhgc.com

SMALL PROJECTS

Smaller projects such as landscaping, re-paints, dog runs, minor additions and other minor changes can be reviewed weekly by the DRC, typically on Tuesdays.

Please note it is important members follow the steps of the Design Review Process, including submission of required applications as found on our member website. This is a proven and streamlined process provided the owner performs per the Development Standards for any exterior alterations to the owner's property including projects such as:

1. Roof Replacements
2. Exterior Painting
3. Deck Projects
4. Dog Runs
5. Landscaping
6. Driveways

We look forward to continuing to maintain the natural integrity of our forest home!

H-2B VISA PROGRAM

WHAT IS IT AND HOW DOES IT
ENHANCE OUR COMMUNITY?

by William Godfrey

Every summer morning at precisely 5:45 a.m., a white shuttle van winds its way through Forest Highlands on its way to the Meadow and Canyon clubhouses. The shuttles continue throughout each day on the half-hour.

The passengers Inside the vehicle are young men and women from across the globe. They represent our community's seasonal employees who participate in the H-2B Visa program.

WHAT IS THE VISA PROGRAM AND WHAT ARE THE ORIGINS OF THE OPERATION?

According to the U.S. Department of Labor, the definition of H-2B Visa:

A nonimmigrant program that permits employers to temporarily hire nonimmigrants to perform nonagricultural labor or services in the United States.

THE EARLY YEARS

The H-2B Visa program was introduced to Forest Highlands in 2018 by Bill Griffon, our former General Manager. He was assisted by Robin Ayers, the previous Human Resources Director, who oversaw the program, made travel arrangements, secured lodging and helped with their assimilation.

According to Kurt Martin, our current Assistant General Manager, "There were a handful of H-2B's during the first couple of years. The seasonal staff primarily served in the dining rooms and were part of the golf staff. They made a huge difference early on. The culinary team was the biggest beneficiary in both the Front and Back of the House."

The summer hires all lived in the same apartment in downtown Flagstaff and a plan was implemented to run to and from Forest Highlands throughout the day.

The number of H-2B staffers grew to a high-water mark in 2023, shared Martin. There were 115 employees that served in various departments two seasons ago. The number dropped in 2024, when 87 positions were filled.

THE CULINARY EXPERIENCE

In 2025, a large percentage of the H-2B's will once again play an important role in the Food and Beverage department.

Mark Thomas, CCM, Director of Food & Beverage, provides an update on the upcoming season. "We will have a total of 50 Visa employees, 20 in the Front of the House and 30 in the Back of the House.

"This is a very popular program within the club industry as a resource for seasonal help. This leads to challenges for those participating in H-2B. Arrival dates, government approval and policy updates change annually. It requires patience and vigilance for all involved," Thomas explained. "Our Human Resources department does an incredible job managing these challenges and helping each department overcome these obstacles every year."

Thomas describes other advantages to the membership.

"The biggest benefit is the culinary team. To have trained culinary professionals arrive and be ready to work the next day is a tremendous benefit. Experienced seasonal culinary staff are just not available in Flagstaff or Arizona. Forest Highlands would have a totally different culinary experience without the trained professionals in our Back of the House kitchen operations.

"The Front of the House service staff has other benefits," continued Thomas. "The servers are also trained hospitality professionals who do not require the same level of training as local staff. They are also invaluable late in the season when local staff return to school or leave for other jobs."

In total, the Visa employees contribute in many ways. Among other departments that utilize the H-2B's are the golf staff, course maintenance, housekeeping, and racquet sports.

As to the overall contribution, Thomas provides perspective with feedback received over the years:

"The other benefit I hear from members is how much they enjoy learning about other cultures and the Visa staff's countries of origin."

"The biggest benefit is the culinary team. To have trained culinary professionals arrive and be ready to work the next day is a tremendous benefit"

WATER/WASTEWATER

Since 1987, Forest Highlands Utilities has proudly provided drinking and irrigation water to both the Meadow and Canyon courses. We also manage all wastewater (raw sewage) collection and treatment, ensuring that we can reuse effluent to offset freshwater use for course irrigation.

Last year, we completed the construction of a new drinking water storage tank near Hole #2 on the Canyon Course. This new tank provides an additional 1,000,000 gallons of water storage, which supports fire protection and general use. Now fully operational, it works seamlessly alongside the existing tank, ensuring reliable water distribution. We continue to focus on maintaining and improving the water distribution, wastewater collection, and treatment systems to serve our community.

FUN FACTS ABOUT YOUR UTILITY DEPARTMENT

- **8 ADEQ certified employees**, including Brianne Eekhoff.
- **10 deep water wells**, ranging from 1,200 to 1,600 feet deep, producing between 55 to 310 gallons per minute. Together, we can produce up to **1.5 million gallons per day!**
- The drinking water distribution system consists of over **20 miles of underground piping**.
- Last year, **18 million gallons** of effluent were treated at the wastewater treatment plant.
- We have a **20 million gallon** storage capacity for course irrigation.

COMMON AREA MAINTENANCE

Our Common Area Maintenance team plays a vital role in keeping the facilities clean, well-maintained, and running smoothly. From replacing building siding to handling custodial duties across the facilities, sweeping streets, ensuring ice machines along the golf course are in working order, setting up tents for holiday festivities, and more, this dedicated team goes above and beyond.

CURRENT BIG PROJECTS

- **Road Maintenance:** The team has crack-sealed the roads, repainted all road lines, speed bumps, and parking lot lines, and added a few speed limit signs.
- **Road Study:** Western Technologies is conducting a study to assess the current condition of our roads.
- **Patio Furniture Prep:** The patio furniture for the clubhouses, tennis facility, Stonehouse, and pickleball courts has been sanded, refinished, and is being prepped for the upcoming season.
- **Walking Path Resurfacing:** The walking path from the northern intersection of Bessie Kidd Best to between Hole 5 and Hole 6 on the Meadow course is being resurfaced. The process includes spreading 3 inches of AB aggregate, adding water, compacting it with a roller, and treating it with soil conditioner to ensure durability.

PUTTING A FACE TO THE NAME

Hello, I'm **Brianne Eekhoff** Utilities Billing Coordinator & Office Manager, and I'm the voice behind the Forest Highlands Utility Department. While the entire team plays a role in keeping our water and wastewater systems running smoothly, I'm the one you'll hear when you call the Utility Office.

A key part of my job is handling monthly utility billing, but I also do a lot more. I answer questions from members regarding their utility bills, work with Waste Management to ensure timely trash collection and dumpster services, and assist members with building plans for home additions or renovations—there's a good chance we have those plans on file! Additionally, I work closely with contractors and members on new home builds to ensure they're all set up with water service.

There's so much more I do, but I truly enjoy every aspect of my role here at Forest Highlands.

FOREST HIGHLANDS RESIDENTIAL TRASH, RECYCLING, PINE NEEDLE BAG, AND DUMPSTER SERVICE INFORMATION

Dear Forest Highlands Residents,

As we approach the peak of the season, we want to ensure all members are fully informed about the trash, recycling, pine needle, and dumpster services available at Forest Highlands. Please review the updated information below to ensure smooth operations and proper service.

TRASH & RECYCLING SERVICES

Waste Management Provider:

- **Contact Information:** For any questions, concerns, or requests related to trash and recycling, please reach out to the Forest Highlands Utilities Office at (928) 525-5244.

Toter Details:

- **Trash Toter:** Bright green
- **Recycling Toter:** Bright green with a blue lid
- **Old Provider - Norton Environmental:** Some members may still have Norton toters. If damaged or taken, these will be replaced with Waste Management toters.

Service Fees:

- **Trash Service:** \$13.25 per month
- **Recycling Service:** \$9.00 per month (optional; must opt-in by contacting the Utilities Office)

Toter Requirements:

- **Mandatory Trash Toter:** Every household must have a trash toter.
- **Damaged or Missing Toters:** Contact the Utilities Office for replacements or assistance with damaged or missing toters.

Additional Toters:

- Each household is provided with one trash toter and one recycling toter (if opted in).
- Additional toters are available through the Utilities Office at \$8.00 per month per toter. These toters will be billed directly by Waste Management, separate from your Forest Highlands utility bill.

Toter Placement Tips:

- **Ensure Proper Placement:** Place your toters at the edge of the road by 6:00 AM on the day of service, but no earlier than 24 hours before the scheduled pickup.
- **Clear of Obstructions:** Make sure your toters are free of any obstacles, such as vehicles, mailboxes, or landscaping.
- **Spacing:** If you have multiple toters, ensure they are spaced at least 4 feet apart for efficient collection.
- **Overfilled Toters:** Do not overfill your toters. Lids that won't close will result in your toter not being emptied. Overfilled cans can attract animals and lead to scattered trash.

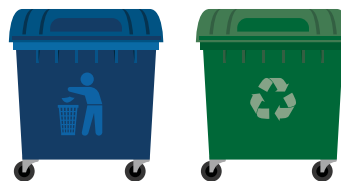

PICKUP SCHEDULES & GUIDELINES

Trash & Recycling Pickup:

- **Trash Pickup:** Every Monday
- **Recycling Pickup:** Every other Monday (dates are posted on utility bills or available by calling the Utilities Office).

Missed Pickups:

- If your toters are missed, please notify the Utilities Office. A recovery pickup will be arranged for the following day (Tuesday). If your toter is a Norton brand, Waste Management will replace it with their own toter.

COMMUNITY DUMPSTERS & BULK GARBAGE DUMPSTERS

Recycling Dumpsters:

- **Locations:**
 - Behind the Fire Department (emptied every Monday and Thursday during the season, and every Thursday during the winter).
 - In front of the Public Works Yard Gate (available when the Fire Department recycling dumpster is full).
- **Accepted Materials:**
 - Newspapers, office paper, cardboard, clean plastic, aluminum, tin.
 - Not all recycling dumpsters have a glass specific bin, so glass can go in any compartment on the recycling dumpsters.

Bulk Garbage Dumpster:

- **Locations:**
 - Located off Paleo Place, in front of the security gate near the Public Works Yard.
- **Access Hours:**
 - Monday to Friday: 7 AM - 3 PM
 - Saturday: 7 AM - 12 PM
- **Items Not Allowed:** Construction debris and hot ashes. Refrigerators, fluorescent light bulbs, wet paint, tires, car batteries are also all items that are not allowed.

PINE NEEDLE BAG PICKUP

Pine Needle Bag Service:

- **January - July:** The cost of pine needle bag pickup is covered by the Forest Highlands Association as part of fire prevention efforts.
- **August - December:** A fee of \$4.50 per bag will be charged for pickup, which will be billed by Utilities on behalf of Waste Management.

Pickup Schedule:

- **Every Tuesday during the season;** during the winter months (December through April), it will be the first Tuesday of each month.
- **How to Prepare:** Pine needle bags should be stacked adjacent to the road near the lot address marker before Tuesday morning for pickup.

We hope this information helps clarify the trash, recycling, pine needle, and dumpster services available to you. For any additional questions, please do not hesitate to contact the **Utilities Department Office at (928) 525-5244**.

Thank you for your continued cooperation in maintaining the cleanliness and safety of our community.

Sincerely,
Forest Highlands Utilities

SPEED LIMITS WITHIN FOREST HIGHLANDS

SPEED LIMIT ON FOREST HIGHLANDS DRIVE IS 25 MPH

As of December 1, 2024, the speed limit on Forest Highlands Drive was reduced from 35 MPH to 25 MPH. This change is part of our ongoing commitment to safety and our goal to foster a secure and comfortable environment for all community members and their guests. Enforcement began on December 1st 2024. Thank you for your attention to this and ensuring the safety of everyone within the community.

SPEED LIMITS

The speed limits on the roads at Forest Highlands are as follows:

- 10 MPH in the Clubhouse parking lots.
- 15 MPH through the Gate House access area, in or around the Mail room, on all roads in the Cottage developments, in all posted “Children Playing” and “Pedestrian” zones.
- 25 MPH on all main roads inside Forest Highlands.
- 25 MPH on Forest Highlands Drive between the Gate House & Mailroom.

Passing any motor vehicle on any of these roads is prohibited. For your safety these speed limits will be monitored by radar, including radar cameras and strictly enforced.

FIREWISE INSPECTIONS 2025 & SUGGESTED ITEMS FOR ALL MEMBERS TO FOCUS ON

In 2025 the entire community is strongly encouraged to participate in maintaining defensible spaces for their lots and bring them into compliance with Firewise standards.

The results of proactively complying to Firewise standards this season will further mitigate fire risk for the entire community and is suggested due to the dry winter conditions our region suffered this winter. Lots outside of zone 5 will not receive a pass or fail rating however if you have completed the Firewise Safety Check form and wish to have a Firewise certified officer inspect your lot please contact Security to schedule an appointment to have it inspected.

In 2025, the assigned Firewise zone for Forest Highlands is Zone 5 (comprising lots: 701-872). Firewise Safety Checks for these lots will be conducted in early June. To help those in Zone 5, as well as all residents of Forest Highlands, please click the link to find the "Safety Check" form used by Firewise Officers, by clicking the button below.

SAFETY CHECK

All Forest Highlands residents are encouraged to make/keep their lot(s) safe. ***Below are a few suggestions in maintaining a Firewise Defensible Space on your lot(s):***

- Remove dead fuels from your property
- Remove dead standing trees and logs from the ground less than 16" in diameter
- Remove dead shrubby materials
- Cut down dried grasses and flowers
- Remove needles, leaves, and branches from the ground, leaving an organic covering of approximately 2"
- Clear needles and leaves from roofs and gutters
- Store firewood at least 30' (if possible; minimum of 10') up-hill from your home

DWELLINGLIVE “RESIDENT/GUEST” ONLINE PROGRAM – REVIEW & LIST CLEAN UP

Thank you to the many members that have worked with Security on a community Guest/Visitor list cleanup project in the past. It is believed at a minimum an annual maintenance/review of guest lists creates reliable lists and minimizes unauthorized community entry. Security has begun a review of guest lists and in April if your list is found to be extensive, a copy of your list will be emailed with suggestions on how to reduce the list and manage going forward.

HELP US MINIMIZE
UNAUTHORIZED
COMMUNITY ENTRY,
MAKING A SAFER
COMMUNITY FOR
OUR PARADISE IN
THE PINES.

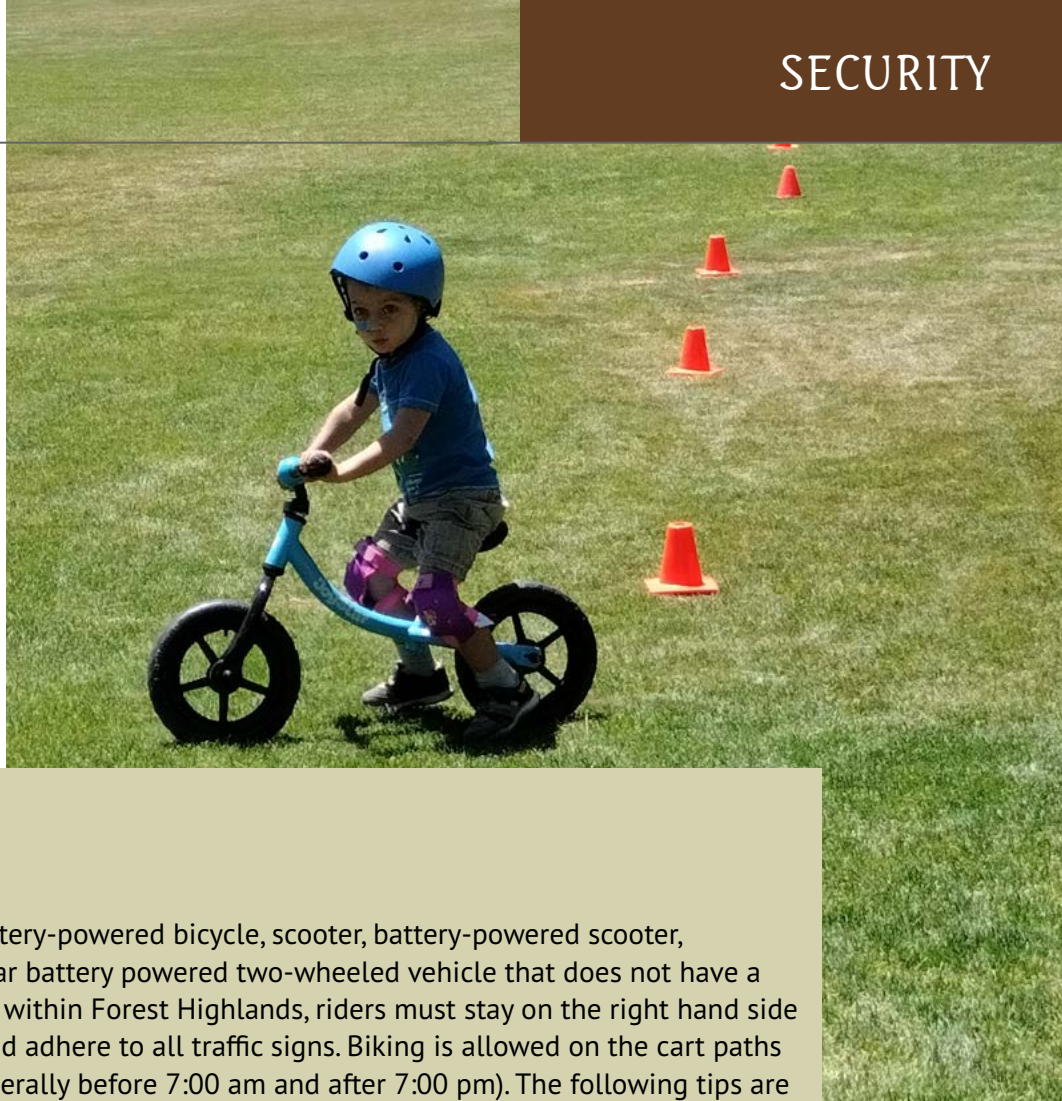

A few quick tips when using your dwellingLIVE account:

1. Consider using the “PERMANENT” guest option for only family members and a few regular contractors such as a cleaning company and a handyman; and
2. Contact Security to establish your own personal dwellingLIVE account so you can maintain your own list. The account can be arranged by emailing security@fhgc.com and asking to set up the account; please provide your member number when requesting the account.

SOLD A VEHICLE OR CHANGED A WINDSHIELD?

Please help the Security Department update your electronic dwellingLIVE resident/guest profile. A few reasons records are inaccurate:

- A new vehicle is purchased and someone moves a transponder from the sold vehicle to the purchased vehicle. It is important to update Security with the vehicle(s) change
- Windshield replacement. It is important to let Security know the transponder was not taken off the replaced windshield because the transponder remains active and could be used for unauthorized access into Forest Highlands
- Acquiring a vehicle and placing a new transponder on the vehicle; normally this means a vehicle has been sold. It is important to update Security so the sold vehicle can be removed from your personal dwellingLIVE profile. This type of action prevents unauthorized access to Forest Highlands

BIKING SAFETY RULES

6.13 Biking

When riding a standard bicycle, battery-powered bicycle, scooter, battery-powered scooter, electric bicycle, e-bike, or any similar battery powered two-wheeled vehicle that does not have a combustion engine that burns fuel, within Forest Highlands, riders must stay on the right hand side of the road, traveling with traffic and adhere to all traffic signs. Biking is allowed on the cart paths before and after golfing hours, (generally before 7:00 am and after 7:00 pm). The following tips are recommended for your safety [mandatory for all riders up to and including 14 years of age]:

1. Wear an approved helmet
2. Be visible, wear bright clothes
3. Use lights at night
4. Stay in a single file formation
5. Accompany children on bikes
